

▲ MAMBA DESKTOP ESPRESSO COFFEE AND TEA MACHINE

Model: MK

Color: White.Red.Pink

Customizable color: Blue.Yellow.Black.
Orange.Silver.Rose red

Voltage: 220V/50-60HZ

Power: 3500W

Boiler capacity: 6.6L

Coffee extraction boiler: 1L

Size: 420x380x800mm

N.W.: 55kg

G.W.: 60kg

- ⊙ Desktop design to foster the communications between baristas & clients.
- ⊙ Multi-boiler system and PID technology configuration control heating frequency to ensure the temperature of each boiler to be accurate & stable.
- ⊙ Adjustable pre-infusion functions make complete extraction.
- ⊙ Improved steam nozzle makes latte art easier.
- ⊙ Splashproof touching screen enhances the interactions with machine.
- ⊙ Boiler heat preservation performance is excellent thus saving energy.
- ⊙ Automatic cleaning function, easy & convenient.
- ⊙ Three-stage heating system to ensure accurate extraction temperature setting.
